

Strategies for Earning Quick Cash Now

Due to the Internet you can earn money in your spare time with just a little thought to your talents and hobbies.

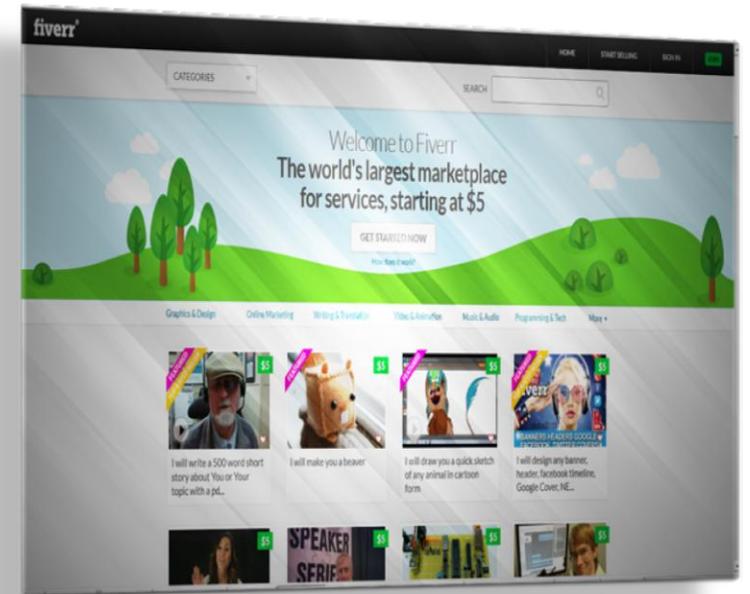

eBay.com

- One of the first ways that people think of is earning money through the auction site eBay.
- Whether you want to just earn a little extra money each week, or earn a full time living from home, eBay.com makes it possible.

Fiverr.com

- If you have skills such as singing, design, writing, copyediting or other creative offerings you can make money on Fiverr.com.
- Start out with creating “gigs” that you charge five dollars for (Fiverr.com keeps 1 dollar).

Elance.com

- Sign up to bid on projects that people and business owners need completed.
- Take a look and see the services people are offering, as well as the type of jobs posted.
- If you can do any of that, then you can make money.

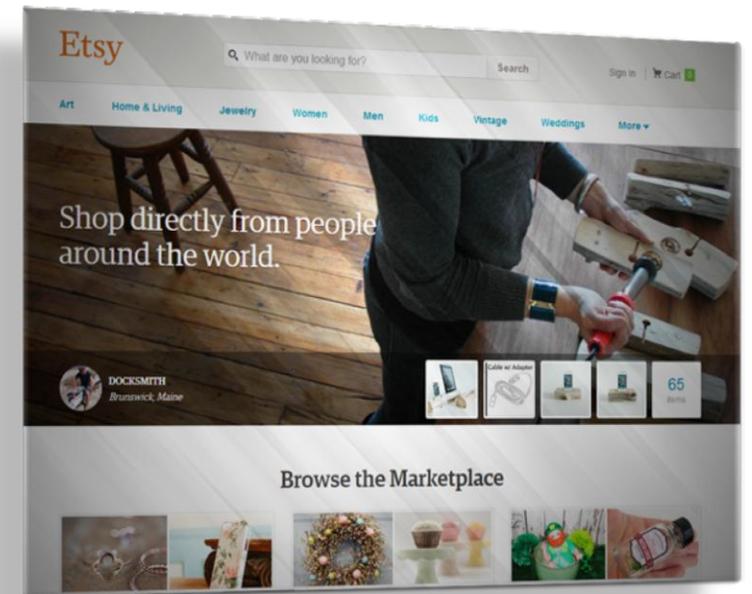

Craigslist.org

- Craigslist is a free online classified website.
- Start a used appliance business by buying old ones, fixing them up and reselling them.
- Buy old furniture, refinish it, and then resell it.

Etsy.com

- Are you crafty? Do you have a talent for painting, crafting or sewing? Do you own a lot of vintage items of interest?
- You can earn a great income off Etsy.com, the most popular online marketplace for handmade and vintage items.

Amazon.com

- Sell your old books and certain used items in good condition, including clothing, cameras, phones, electronics, home & garden, and even furniture.
- If you have a lot of items to sell, you can even use Amazon.com fulfillment services.

Sell From Your Own Website

- It's a good idea to start your own website for any endeavor you plan to continue doing long-term.
- In this way you can promote your sales via the other sites, and still make sales directly from your main business site when you don't want to go through one of the other websites.

Assess Your Skills & Personality

- Choose the fastest and least expensive method such as Craigslist.org to earn money fast.
- If you have a bit more time, then consider a more long-term strategy such as selling on eBay, Amazon.com, and/or Etsy.com.
- You can always use more than one option especially when they are low-cost or free.

Don't Delay Get Started Today

- You can create a viable second stream of income, and even eventually replace your current income.
- Making quick cash now can become quick cash every single day for the rest of your life.
